

# Information for clubs visiting Horsham FC

- If any player or official displays symptoms of Coronavirus (fever, persistent dry cough, loss of taste and/or smell), they must not attend the game. Anyone who has been in contact with a person infected by Covid-19 is not permitted to enter the stadium.
- Entry for all players and officials is via the door marked “Players’ Entrance” which is to the left of the main building as you stand in the car park.
- Use of the changing rooms is now unrestricted and all the showers are back in operation.
- Players can store their kit bags in the changing room during the game.
- Please bring practice balls for your team. There will be facilities available for sanitising balls, if required.
- You have been allocated the area of the pitch furthest away from the clubhouse for warming-up, player talks etc.
- The technical area will be extended with additional seats available for coaches and substitutes.
- For the protection of our staff who will clean the changing rooms after the game, please ask players to put all rubbish (including tape and bottles) into the bins provided.
- For security purposes, the Players’ Entrance will be locked once everyone has arrived for the game.

Our Covid-19 Risk Assessment (<https://www.horshamfc.co.uk/covid-19>) provides additional information about the approach we have adopted to protect everyone who comes to the Camping World Community Stadium.
